What a weekend!

Another fantastic CCCFC Summer Festival seemed even more special this year after a long 24-month wait.

With Covid restrictions not long eased, our event was slimmed-down for 2021 to create more space - but the atmosphere around the sportsfield was as electric as ever as young footballers from Wiltshire and beyond relished the platform they were given in the most beautiful setting for miles around.

We were delighted to hear so much positive feedback from our visitors and at the end of an action-packed three days must say some thank-yous to the heroes who made it all possible...

- Tournament organisers Katie Sheppard and Mandy Overfield

- Our army of parent helpers and committee members who parked cars, kept score, marshalled the clubhouse, picked up litter and served refreshments
- Brad Anderson of Prestige Grounds for preparing six immaculate pitches
- Able Scaffold of Bath for answering our late call for a stage
- Julian Sattin and his top team of referees

- The spectators who came, observed the guidance and offered so much encouragement from the sidelines

- And finally, most importantly, the hundreds of players aged 4-18 who were the stars of the show - your goals, saves, smiles and sportsmanship offered proof if ever it were needed that football is the greatest game of all

We hope everybody who came along had as much fun as we did and can't wait to welcome you back in even bigger numbers when normality returns in 2022.
